

Ingage

by Lamex

Executive

Sophisticated office designed for organization leaders to support focus work, team meetings and interactions with business partners.

Office

Flexible private space designed for managers in support of focus work, internal meetings and mentoring.

Focus

Quiet and comfortable space for focus work or quick small group meetings.

Huddle

More comfortable space for meetings and social interactions.

Flex Team

Efficient meeting space integrated with media and convenient power connections for small team collaboration and continuous learning.

Conference

Effective meeting space that supports video conferencing and features easy power connections for large group meetings and knowledge sharing.

Private spaces are getting smaller,
collaborative work is imperative and offices
need to be more flexible to accommodate
constant change. More than private space,
Engage is a productive and connected space
that provides choice for you and your team
with a set of new essential elements
designed for multiple activities.
